25X1 5. [ ] Jay Sourwine, Senate Internal Security Subcommittee staff, asked if it would create any problems for the Agency if the Subcommittee were to contact [ ] who has made several suicide attempts, the most recent being an attempt to throw himself in the path of a subway train. 25X1 [ ]

25X1 7. [ ] Met with Mr. John Martin, Assistant Chief Counsel, House Ways and Means Committee, who advised that the Committee did not establish a schedule in today's meeting. The Committee will meet again on Thursday on Tariff Classification.

25X1 8. [ ] Jay Sourwine, Senate Internal Security Subcommittee, telephoned saying the Subcommittee had prepared a new subpoena naming the date of 13 April and a letter to [ ] Sourwine indicated this date was more or less pro forma and could be adjusted to suit the situation. Sourwine inquired if we could make arrangements to deliver it and whether we would need a formal request to do so. I indicated we would deliver it and no formal request was required. 25X1

25X1 9. [ ] Talked with Robert Michaels, House Appropriations Committee staff, asking him to inform Representatives Mahon and Ford that in connection with the Executive Pay bill which is to be debated on the House floor tomorrow, an amendment will be offered raising the Director from Level III to Level II and inserting the Deputy Director in Level III. I indicated I thought it was the appropriate thing to inform Mahon and Ford in the event any discussion develops about the Agency concerning this item. Mr. Michaels said he would be glad to inform them.

25X1 10. [ ] Talked with Frank Meyer in Congressman Gerald R. Ford's office who wished help in dealing with a constituent inquiry on one of the [ ] I informed Meyer that, of course, our policy was "no comment." I did refer him to the WASHINGTON POST item of last Monday which included certain statements attributing it to an authoritative source. Meyer understood the situation completely and indicated he had enough to prepare an appropriate letter. I pointed out that, of course, if Mr. Ford wanted to know more about the case, we would be happy to brief him in complete detail. Mr. Meyer said he would pass this on.

25X1

25X1 11. [ ] Lunched with Representative Steven B. Derounian (R., N. Y.) who exhibited interest in the Agency although he is firmly convinced the Administration is pursuing incorrect policies and the State Department probably has some Communist influence in it. He took the view that probably in many ways the Agency is caught in the middle. He offered to be of help in any way he could and suggested that we get together some time for further discussions.
